

Javier Pajares

Javier Pajares is Associated Professor at the University of Valladolid. He is the director of the Master in Project Management of this university and is member of the Research Institute INSISOC.

His main research interests are related to Innovation Management, Project and Portfolio Management, and the development of new methodologies for managing project risks. Javier is member of the Board of Directors of AEIPRO (the Spanish Association for Project Management and Engineering), which is the Spanish partner of IPMA (International Project Management Association). He has been certified as Professional Project Manager (Level C) by IPMA and is currently Senior Assessor of the Spanish Body for Project Management Certification.
